Conference Organiser Funding ~ Application Form ~

What you need to know before applying

The Conference Organiser Funding is designed to help postgraduates who want to organise a conference in their discipline to bring together postgraduates to share their work.

All applications must be made by a minimum of two postgraduate students working as part of a student committee to organise the event. Events require Departmental staff support to be approved.

The MPA will only fund one conference per Department/School per year.

Please apply for funding at least one month prior to your event and we will respond to your application within 5 working days. To apply, fill out all the information requested and email your completed form to Jessica.vangent@monash.edu.

Not organising a conference? the MPA also provides funding for postgraduate students organising a seminar, as well as group funding for social events. See our website for more information: mpa.monash.edu
